My favorite position is getting fucked from behind. The best sex for me is being banged hard so I can feel his balls slapping my pussy. Then a few well-placed and well-timed slaps on my butt and I'm in heaven. Oh yeah, baby!

CONTESSA & CARMEN BRAZEN HUSSIES

I'm Contessa, on the left and I split with my man - turned out to be a loser - and felt so bad I needed some female comforting. I called my friend Carmen and she came over - with a photographer.

I wanted Contessa to just chill and not get all swamy so my photog was a good distraction. Here's what he got.

I did, for a few hours,

18 and over only.

He sat up on the table, pants off, legs spread wide resting on a couple tall chairs as she settled between them and started sucking on his dick. I watched for a minute, then her head disappeared lower, probably to suck on his balls...

knew he was going to get a bj, but up until now he never thought it would be from me!

Suddenly we heard loud screams and groans from the couple. She had climbed up on the tall table and was on her back, pantyless as her friend was eating her out. She stopped moaning and they switched places. He sat up on the table, pants off, legs spread wide resting on a couple tall chairs as she settled between them and started sucking on his dick. I watched for a minute, then her head disappeared lower, probably to suck on his balls, and then went back to my two guys. I grabbed the waiter's cock hard and pulled it to my mouth. I heard him moan; how long had he had this hard on? It was fucking rock hard, and he was loving my mouth around it, sucking it and stroking it hard with my hand. By now Luke wanted in on the action, so without hesitation he pulled me up and sat me on his massive cock. With hot juices dripping from my pussy, I slid onto it nice and easy.

The guy I was blowing couldn't believe it, he was being sucked off while I was being fucked, and I was sucking at his cock so hard, he spurt all his stuff in my mouth, cum sliding down the side of my face. By now the couple were fucking like mad. She had been screaming with every orgasm, and he was shooting cum all over her face. I was bouncing up and down being fucked really hard, and came again and again. My pussy and clit were on fire, my body was shaking and I couldn't control it. My orgasms were huge, one after the other, bang, bang! Luke couldn't hold his cum any more and threw me off

him and stood over me. I felt helpless that this guy was going to shoot one hell of a load all over me. His cum came out like a raging waterfall, covering me and hitting my face. I was licking my lips, getting a good taste of it, loving it, all sticky and thick.

I didn't stay working at the bar much after that, I had my fun with the boss but his flirting with me began to piss me off. I slipped my number in his back pocket and told him to call if he was ever lonely, and walked away. He did call me, but my husband answered the phone, so, I never heard from him again.

— *Thelma, New Jersey*

ANYTIME, ANYWHERE

Dejuan, my current husband, and I have been together for almost six years, happily married, no kids yet, and for the first couple of years of marriage enjoyed some fairly conventional sex. During the last couple years we talked more and more freely about it and realized that we both had fantasies that were not sharing with the other. We made a pact that we would make an effort to help each other fulfill some of them. We'd start out safe at first, and if that went well, we'd ramp up the excitement level and make our love lives more interesting and fulfilling.

To that end, we went out to dinner at a nice Korean restaurant. Dejuan asked, then demanded, that I put

on a short, tight skirt, boots and a sweater. The sweater was the type that most women would wear with a cami or undershirt, but he told me not to. It gets cold in Philly in November, but the air was refreshing on my bare nipples that poked through the holes in the sweater. We warmed up at the restaurant and enjoyed our dinner, but about half way through our meal I saw his

face change. He looked at me like he wanted me, no needed me; it's the look that makes my stomach tighten up with anticipation. He told me to flash him right there at the table. We were in the back of the restaurant but it wasn't that big. The bar area was opposite me and as I lifted my sweater, the bartender definitely saw me do it but I didn't see if anyone else had.

Momentarily, I felt like a slut, but looking into his eyes, I didn't care. His look told me that I was his slut, and he wanted people to know it. He told me to do it again, but he also wanted me to pinch my

nipples so they were harder. As I found them through the holes in the sweater, I noticed our waitress saw me doing it as she was bringing our check. She was a cute brunette with big brown eyes and a big, round ass just like mine. Dejuan likes big brown asses and said that was one reason he married me. I found myself attracted to her and stroked my nipples while holding

her gaze. If she didn't look scared, I was going to invite her home with us. When she handed my husband the bill, she avoided looking directly at me. Clearly she was uncomfortable, and probably not open to the idea. My husband paid for the meal, and ordered me up, he was clearly ready to go, when we stood up, I went to adjust my skirt, and he ordered me to stop. We walked out of the restaurant with my skirt riding up high enough to see the bottom of my butt cheeks and my nipples were still pushing through my sweater.

I love when he takes control. I

never know what he's going to do next, or tell me what to do next and the anticipation makes me so wet. As we were walking to the car, I had millions of possibilities running through my mind but was not prepared for his decision. We were parked in a parking garage on the first level, from the car you could see the entrance to the parking garage, office building windows and the street. He looked at me, bit his lip, and tore off my skirt. He pushed me down to my knees and forced me to suck his dark cock. I have come to love sucking my husband's dick. It's sensing his body react, feeling his cock push harder and harder against the back of my throat. He loves to make me choke and he did it then, and for a minute I was afraid my delicious dinner would come back up, but it didn't. Suddenly he picked me up and bent me over with my hands on the car. When he bent me over, I had no choice but I wouldn't have had it any other way. I love it when he hits it from the back, because I can feel his cock all the way up to my stomach.

My naked brown ass was in the air, and he was pounding into me. We heard a loud engine noise approaching but neither of us wanted to stop. In fact, the idea of someone seeing us with me bent over by my gorgeous husband turned me on even more. I started to moan. He was stroking it so well. I busted all over him right as the car went by. My husband started to stroke even harder, pinching my nipples. This went on for a few more minutes, and as I felt another orgasm building within me, I couldn't hold it off anymore. I begged him to let me cum. As usual, we timed it perfectly

as I felt my world explode in waves of pleasure. I felt his hot cum shoot into me, relieving the tension even further. My orgasm lasted for a couple minutes. I was so spent by the end of it that he had to pick me up and put me in the car.

When we got back to where we were staying, he made me strip in the elevator and finger myself. By this time, my clit was so hard and swollen from busting twice, it almost hurt to play with it – but that kind of pain makes me so wet, to the point where it runs down my leg in long thin streams. The whole time he's pulled his cock out and is rubbing it with one hand and taking a video of me with his cell phone and I'm rubbing myself. He said he was ready to cum and I quickly fell to my knees and took it all in my mouth and swallowed. I stood back up and went back to flicking my clit as I licked up the rest of his cum.

Suddenly, two people walked into the elevator while I was rubbing me, but I didn't stop. He didn't even have to tell me to keep going, and they surely didn't mind watching. When we reached our floor, I exited the elevator and pulled my skirt all the way off and ran down the hallway to our room with my ass bouncing in the air. He was right behind me!

I gotta tell you that
was hot. I don't think I
ever had such a good
fuck with him. I got so
lost in the sex that I'm
glad he could control
himself and not cum

for a great cream pie

was the cameras that
got him turned on to

I have to admit that one of the best sexual encounters
I've ever had was with a guy who had a huge cock. Some
chicks think that too big hurts when you fuck. Not me.
I've mastered giving head with my mouth and hands so
that the guy feels like it's all in. I love the long schlong.

What I learned my first week

Life lessons from my math instructor

It was mid-September and the first day of my freshman year at the university and I was a nervous wreck! All of these new people and new teachers, I had no idea where to go! Somehow I managed to get to my first class right after the bell rang. I guess that's not a great first impression to have on a teacher, but it was the only one I could've made. I took a seat by the front seeing as it was the only one left. My Calc 101 teacher was Ms. Pryor and might I say DAMN!!!! Such an amazing looking woman almost made me cream myself right then and there! For the remaining 50 minutes of the class, I probably should have been paying attention to the quiz she had given us, on our first day, no less, but all I seemed to do was to gaze at her beautiful rack that was about a 38C on a nice athletic frame. Sweet, dark olive-colored skin with deep brown eyes and a short, Halle Berry-type haircut. She wasn't that tall, but she wasn't short either, around 5' 6", I'd say.

The rest of the day I managed to get to all my other classes right on time, or should I say right in time seeing as how it was almost always about 30 seconds before each tardy bell rang. I couldn't pay attention to anything anyone was saying, because the entire day I had Ms. Pryor's nice ass floating around in my head. Finally the last bell rang and it seemed like every student ran into the quad at the same time. I walked slowly so that when I passed Ms. Pryor's class I was able to enjoy the view. I found a nice table to sit at and await my prize.

I suppose now would be a good time if any to explain exactly what I look like. Well I have medium brown skin with no marks or blemishes, jet black eyes and shoulder length hair that I keep straightened. I think I have soft full lips, a firm round ass, 36C breasts with half-dollar sized nipples. And not that you need to know right now, I like to keep my privates clean-shaven, but I do

let it go for weeks at a time if I'm not getting with someone. I have always felt a deep admiration of the female form, never really been attracted to guys. I had many girlfriends, but nothing too serious - just having fun.

I sat there and began to doodle in my notebook when suddenly Ms. Pryor walked over and asked to speak with me. I couldn't understand exactly what she wanted, but I would soon find out. Ms. Pryor looked me over a good while she began to speak in a sexy voice with a pussy wetting accent. "Cayla I pulled your records and found that you had extremely high math scores, so I can't find a reason as to why you failed my pop quiz." I looked down at the ground then back up at her and finally spoke, "I'm sorry Ms. Pryor, I guess I was just a little distracted. I promise to try harder." Then she asked, "If you don't mind me asking, what did you find so interesting that you couldn't focus on your quiz?"

"Well Ms. Pryor if you must know, it was you." I answered. "Me??? Cayla are you saying I somehow distracted you?" I blushed then inched a little closer to her and whispered, "Yes Ms. Pryor that's exactly what I'm saying, but it wasn't just you that distracted me, it was also your voice and perfect body."

We jumped in and raced to her house. It took about fifteen mintues to get there and during the entire ride she had her hand down my skirt gently rubbing my clit through my panties.

A sweet smile came over her face and she put her arm around my waist pulling me closer, "If that's the case I suppose you need some after school tutorials and maybe some help on the weekends." Looking at her with big pleading eyes that just screamed take me, I agreed.

I nodded, then quickly got up and headed home after an exciting and confusing first day. During the following days, my eyes watched time tick away slowly, painfully. Tick tick tick was all I heard. Not one word said by any of my instructors seemed to reach my ears, it was like every other sound was blocked out except for the ticking of the clock. My heart pounded with each stolen glance, when finally the release bell rang. I bolted out of my last Friday class and into the faculty's parking garage waiting for Ms. Pryor. I saw her walking slowly towards me with a tiny bounce in her step like she was excited or something.

Finally she reached where I was waiting and we walked to her car. We jumped in and raced to her house. It took about fifteen mintues to get there and during the entire ride she had her hand down my skirt gently rubbing my clit through my panties. I was so wet and my pussy was throbbing! We got to her front door and kissed passionately, rubbing our hands up and down each other's bodies. She unlocked the door and opened it in one swift motion we were in. Immediately, she pulled me towards the bedroom and pushed me onto her huge bed. She ripped the shirt from my body, and tore my skirt off, pulling my panties off in less than five seconds.

Ms. Pryor began to kiss down my neck and chest with her supple and gentle lips. She climbed on the bed and straddled my stomach, slid her blouse and bra off and then bent over to kiss me once more. I grabbed her by the hips and switched positions with her and took her jeans off then pulled her sweet smelling thong off her with my teeth. She rolled gently underneath me and reached into her nightstand and pulled out what appeared to be a black strap-on. I looked wide-eyed at it and asked her what it was for.

"I want you to fuck me with this strap-on," she said in a sexy tone. I blushed, "but I don't know how to use it." She made me stand up at the side of the bed and she sat on the edge. I lifted each leg as she pulled it up my lower body and adjusted the waistband around me. Then she put a little vibrating part inside me and turned it on, I couldn't believe how good it felt. Wanting to reciprocate the affection, I turned her around, bent her

over the edge of the bed and lifted her hips into the air a bit. I bent down and licked her shing pussy, flicking my tongue in and out to give her a tease of what was bount to come. I pulled her butt cheeks apart a little and snaked my tongue to her puckered hole. I flicked my tongue a couple times and then a quick rub of my finger and she squirmed and purred,

Then I shoved the fake dick inside of her, slowly sliding it in and out then picking up the pace. I held her wrists down and pushed it in as far it would go, making her moan loudly. I pulled it out and pushed it in with a fierce lust building in the depths of my pussy, I felt like I was going to cum everywhere, but I held it in so that she may cum first. Her moans became louder and her breaths shorter as her hips rose to meet the move-

ments of the fake cock that was attached to me. Seeing her like this turned me on so much that I began cumming with a loud scream of pleasure. I pushed it in one last time while I was orgasming and apparently that sent her over the edge too, because she began to squirt everywhere. I took it out of her and bent down to lick off the remaining juices. She tasted as sweet as straw berries. The yummy taste of her pussy caused me great wetness so I slid the strap-on off of me and layed down. Thankfully she got the picture of what I was aiming for

She bit her way down my body, teasing my nipples with soft gentle bites and tongue circles. I took a deep breath

sweet pleasure; she hummed into my pussy causing little vibrations which made me take deeper breaths. She took her tongue out to pleasure my sensitive little clit and while my clit became hard she slid one finger into me, then two, then three before I moaned at that wonderful feeling. Her fingers picked up the pace and were soon being shoved in and out of my pussy with a quickening motion. With her tongue flicking my clit and her fingers buried deep inside me, there was no way I could hold on much longer. I came all over her hand and chin, breathing heavily and shaking. She lapped at my juices like a hungry little kitty craving it's mother's milk.

We both sat up and pulled each other close and hugged, pressing our hot, moist bodies against each other. Backing away, she pushed me gently back onto my elbows, grabbed my ankle and lifted my leg. As she shd her body towards me, she pulled me closer and our soaked pussies met in the scissors position. We grinded against each other's pussies and moaned softly in each other's ears. We sat up and our breasts began to rub against each other matching the movements of our pussies. We had one final orgasm together and as our juices mixed we kissed gently. Both of us were satisfied and breathing heavy. Later on we fell asleep in each other's arms only to wake up several hours later. We took a

quick shower together and got dressed. She drove me home and for the entire ride we sat silently holding hands. We reached the end of my street and as I got out we kissed one last time.

I walked up to my house, unlocked the door, turned to wave goodbye and blew her a kiss. I went to my bedroom. I layed on my bed and looked up at my ceiling then thought to myself as I drifted to sleep what a wonderful first week, wonder what the rest of the semester will hold. All A's in Calc, I hope.

We jumped in and raced to her house. It took about fifteen mintues to get there and during the entire ride she had her hand down my skirt gently rubbing my clit through my panties.

BRIANNA OH HAVE MERCY

I haven't done very much of this. No, not sex, but posing for the camera while I'm getting fucked. It's kind of a strange feeling with a group of people hanging around while you're fucking. What's weirder is that some aren't even watching, they are just doing their own thing. I hope I can get used to it, soon.

Well, I have to tell you that it was actually a lot of fun doing the shoot. I couldn't get used to hearing "cut" or the director telling us when to change positions or when to cum. Maybe I'll get used to it, soon.
